

# PAM 25™

## Material Safety Data Sheet

Latest revision date: 09/01/07  
Print Date: 09/02/07  
**EMERGENCY PHONE NUMBER:** 1-888-383-7293

### PRODUCT IDENTIFICATION

Product name or number: PAM 25™  
Manufacturer's name: Terawet Corporation  
Address: San Diego, California 92120  
  
Trade Name: PAM 25™  
Chemical Name: PAM 25™  
Synonyms: Fast Tack, TeraFIRM  
Formula: Linear co-polymer in suspension with suspension agents

### HMIS HAZARD RATING

This material is NOT HAZARDOUS as defined by OSHA 1910, 1200  
Health hazard (0-4) 0  
Fire hazard (0-4) 0  
Reactivity (0-4) 0  
Personal protection See section

### HAZARDOUS INGREDIENTS DATA

As defined by OSHA Section 1910, 1200 this material is NON HAZARDOUS  
Polymer CAS No. 25085-02-3  
Residual Monomers including acrylamide, maximum 0.0125%  
OSHA/PEL N/A  
SARA Section 313 None  
Reportable quantity None

### PHYSICAL DATA

Bulk Density/Specific Gravity 11.0 lb/gallon  
Solubility in water Infinite  
Evaporation rate (BuAc=1) Slower than ether  
Appearance Light brown  
Odor Sweet acidic odor

**FIRE AND EXPLOSION HAZARD**

Flash Point	N/A
Flammability limits in air (%V)	None
Extinguishing Media	All

**ENVIRONMENTAL DATA**

Toxicity data	0% N/A
Spill or leak procedures	Reclaim for reuse or disposal
Hazardous waste at 40 CFR 372	N/A
Waste disposal method	Follow federal, state and local regulations

**PRECAUTIONS FOR SAFE HANDLING AND USE**

Product Spill	This material will be sticky on hard surfaces. Impound with absorbent materials or sand and collect. Dilute area with water least 60 times the volume of the spill.
Other Precautions	This product is for plant and soil use only and not intended for other applications.

**HEALTH HAZARD DATA**

Skin Contact	Prolonged or repeated contact with skin may cause irritation to some individuals. Leaves a sticky and slick residue on skin.
Eye Contact	Direct contact of product with the eye can cause temporary irritation. DO NOT RUB EYES. IRRIGATE CONTINUOUSLY FOR 15 MINUTES. Seek medical attention if irritation persists.
Inhalation	Normally not a hazard. If inhalation causes irritation move to fresh air. Wear an approved respirator to avoid further irritation.
Ingestion	Ingestion of large quantities can cause diarrhea. Some stomach irritation may occur. Should pass through safely in digestion. DO NOT INDUCE VOMITING. DRINK PLENTY OF WATER.
Chronic effects of overexposure.	Not generally harmful in any way.
Toxicological Test Data	Not harmful to any living animal or the environment in any way.
